

Thumb Archery Germany e.V.

We would like to invite all archers who are interested in oriental and Asian archery to the 22st International Thumb Archery Meeting in Schalkau from

04.06.2026 - 07.06.2026

at the Ferienpark Thüringer Wald, Im Waldgrund 1, 96528 Schalkau.

The main objective of the meeting is the comprehensive national and international exchange on oriental and Asian shooting techniques and their implementation. This includes various lectures and workshops. The sporting aspect is reflected in a 3D tournament and a flight tournament. A large shooting range will be available as the basis for this, so that knowledge can be directly translated into experience.

As usual, the meeting will take place in an informal and relaxed atmosphere and is limited to 50 participants in order to allow all participants to have an intensive meeting.

Patron of the meeting is the Traditional Archery International (T.A.I)

The preliminary program:

- 3d tournament on a 3d course in the surrounding area on Friday
- Flight/clout shooting right on the doorstep of the vacation park
- Various workshops and lectures
- Joint shooting and training with experienced shooters on a shooting range directly at the vacation park

The program items are not set in stone and are still being added. The organization is still in full swing, but we are sure that we will be able to offer you interesting topics and people this time as well. Please contact us if you would like to present interesting topics yourself.
